Sri J. MOHAMED IMAM.—Have the Government come to any decision as to who should pay compensation? Have they come to an understanding at least now?

Sri T. CHANNIAH.—We have not yet come to a decision, Sir, because after the road re-classification in April last year, it has yet to be fixed as to who has to pay the compensation because the cost of acquisition has to be paid by the District Board itself and the P. W. D. are not in a position to take up the responsibility.

Sri J. MOHAMED IMAM.—If that is the case, if you say that the District Board is not earnest to pay compensation because they have no funds, does it mean that the raiyats should lose their money?

Sri T. CHANNIAH.—Government will make arrangements to pay compensation through the District Boards.

Sri J. MOHAMED IMAM.—Will the Government please see that the compensation is paid at once to these raiyats who have already waited for so long, if the District Board is not in a position to pay? Will the Government give an undertaking to that effect?

Sri T. CHANNIAH.—The Government will address the Special Officer to pay the compensation very early.

Sri Mulka GOVINDA REDDY.—Is it not a fact that these roads were constructed before the road-reclassification was arrived at?

Sri T. CHANNIAH.—Yes, Sir, it is given here as before 1942.

Sri Mulka GOVINDA REDDY.—Is it not a fact that when once the roads have been ordered to be constructed out of the Railway Cess Fund, these funds have to be deposited with the Public Works Department?

Sri T. CHANNIAH.—No. Government had allotted some funds in the budget of 1952 and out of this, a portion of the amount has been paid. That has been answered in answer to (*b*).

Sri Mulka GOVINDA REDDY.—If the roads have been constructed out of the Road Fund, is it not the duty of the P. W. D. to pay instead of levelling charges against the District Board?

Sri T. CHANNIAH.—It is the responsibility of the District Board to pay compensation and not the P. W. D.

Sri K. HANUMANTHAIYA—I do not remember to have given an assurance.

Sri K. HANUMANTHAIYA.—The question does not arise.

Mr. SPEAKER.—He has said that no such assurance was given. Still, you are presuming that an assurance was given and putting questions on that basis. Next question.

*ಶ್ರೀ ಟಿ. ಚನ್ನಯ್ಯ.—ಇದಕ್ಕೇ ಪ್ರತ್ಯೇಕವಾಗಿ ಯಾವ ಇಲಾಖೆಯನ್ನೂ ರಚಿಸಿಲ್ಲ. ಸಿಟಿ ಮತ್ತು ಸಿವಿಲ್ ಪ್ರದೇಶದಲ್ಲಿ ಈ ಕೆಲಸವನ್ನು ಕಾರ್ಪೊರೆಷನ್ನವರೇ ನೋಡಿಕೊಳ್ಳುತ್ತಾರೆ. ಅದಕ್ಕೆ ಸಂಬಂಧಪಟ್ಟ ಅಧಿಕಾರಿಗಳಿದ್ದಾರೆ.

Sri R. ANANTARAMAN.—Is not the number of cases detected in the City very much less for the whole year?

Sri T. CHANNIAH.—That is a matter of opinion.

Sri R. ANANTARAMAN.—Does it not show that the authorities are not working well in the matter of detection of cases?

Mr. SPEAKER.—On what authority do you put that question? You presume there are very many cases undetect d.

Sri R. ANANTARAMAN.—How many cases were withdrawn last year?

Sri T. CHANNIAH.—I want notice
